Deep Thoughts

I want to be a Forensic investigator when I grow up.

If I could change one thing in the world, it would be the jobs issue

I plan to make a positive difference in this world by respecting everyone

I like the fact that I am quick to learn

Having a work ethic means you get work done

Rate the importance of education from 1 (lowest) to 10 (highest) 10

Rate the importance of math from 1 (lowest) to 10 (highest) 8

Often people brag about now knowing math....however many people don't go around bragging that they are not able to read. Why do you think?
Because everything involves reading and math can be done with a calculator.

What is Geometry? _____

Logistics

I prefer to sit in the middle or second row of the classroom.

I am distracted by people around me talking.

I work well with out a partner, and when I have time to work

If I were to talk with your last year teachers, what would they say about you? im really quite but I work well

What are your fears about this class? I don't have any

What are you goals about this class to pass with good grades

I want you to know that I don't work well with others
